Attorney Carl E. Habekost earns Certified Occupational Safety Specialist (COSS) designation

TOLEDO, OHIO – Robison, Curphey & O'Connell is pleased to announce that Carl E. Habekost has received a Certified Occupational Safety Specialist (COSS) designation through the Safety Council of Northwest Ohio.

COSS is an accelerated learning, highly intensive, highly interactive, demanding, rigorous course that focuses on providing Safety Practitioners or individuals, who are responsible for safety, with the tools and techniques they need to make safety work for them and achieve results. Two of the fundamentals that COSS addresses are identification and mitigation of hazards and how to use the appropriate regulations to address them, mitigate the hazard, and communicate it to affected personnel. "This certification will allow us to provide a broader range of services to our valued clients," mentioned Habekost regarding the certification. He added, "we now can facilitate and coordinate the successful implementation of corporate safety and health plans, conduct safety and health training, and provide support to safety and training managers which will minimize risk and improve safety standards."
